# Karan Kapoor

Designer for AI — 2X Founding Designer — NID Alum — Figma Trainer

## Work Experience

**Keka HR · (B2B SaaS) · Senior Product Designer** Mar 2024 - Present

- Leading design for **Engage pod** (pulse, surveys, rewards) used by 2M+ employees; partnering with Engineering, PM, and GTM teams to build customer-driven roadmaps focussed on ARR, retention, acquisition, and churn reduction.
- Operating as **product owner for Rewards module**, independently creating quarterly roadmap, and figuring product pricing based on customer research.
- Redesigned the **Peer Wish** feature, driving a 5x engagement increase (15k users; 116k impressions).
- Designing **AI agents and an HRBP copilot** to enhance engagement and minimise employee attrition.

**Immertive Pvt. Ltd. · XR Designer** Jul 2023 - Feb 2024

- Designed a VR pharmacy for hospitals and institutions to train students enrolled in *Bridge Program in Community Health* in remote areas for 1 million+ students.

**Looppanel (B2B SaaS) · Founding Product Designer** Jan 2022 - Jan 2023

- Partnered with founders to design features to **reduce time-to-insight for user researchers by 5x** through customer research, rapid prototyping and testing.
- **Led a 2-person design team** to establish core product workflows, including a Zoom notetaker, project highlights, and automated summaries for user researchers
- Spearheaded GTM efforts and user researcher **outreach for alpha/beta releases**; built the marketing site using Webflow.
- Hired, mentored, and lead a team of 2 designers,

**Obvious · Product Designer** May 2021 - Sept 2021

- Designed features like leave tracking and auto approval, geography-based leave calendar for **Pause** (#3 Product of the day on Product Hunt), a B2B SaaS leave management tool used by 50+ global companies.
- **Revamped 3+ key merchant workflows for Grab**, impacting 500K+ merchants, through close collaboration with user research and product leadership.

**Aphelia Innovations · Product Design Lead** Mar 2020 - Apr 2021

- Led design and launch of 5+ products and MVPs in health tech and developer experience sectors.
- Hired designers and mentored them to deliver key projects
- Introduced design standardisation and processes to reduce time to delivery.

**Guesthouser · Product Designer** Jun 2019 - Mar 2020

- Redesigned the booking and housekeeping apps used by ~100k people to increase user engagement, trust, and bookings on the platform.
- Created and launched a Design System for internal tools and user facing apps to reduce the development time for new features by 50%.

**Chapter Vitamins · Android Developer** Jun 2018 - May 2019

- Developed engagement modules for employee training apps for clients like bajaj, tcs, wipro etc.
- Worked closely with product managers and devs to ship new features like gamification and interactive quizzes.
